VICTORIA & DARKO

My man can pretty much tell how my day went by the way I fuck him. If I've had an easy, low stress day, I'm kind of a soft kitten that just wants to be cuddled and made love to in bed. But if I've had a hectic day, sometimes a good, hard, fast fuck is what I need to settle me down and put me in a better mood. Either way, I say, 'Let's fuck!'

To the Editor:

I've just got to tell you that I like the letters you've been printing. So I have to write this one quickly because I'm a break at the office and I have a meeting to go to when it's over.

Several weeks ago I started banging this hot chick at the office. She's about 28 and I'm 45. She said she liked older men and I fit the bill. Well, we made it a few times after work and even once on our lunch hour, but I gotta tell you about the first weekend we took off together. Friday morning we jumped on a plane to Nassau in the Bahamas with the excitement of six days of nothing but beach and sex before going back to work.

So we get there and cab it to the hotel where she immediately jumps my bones. We don't even unpack as they day slipped away with me inside her for most of it. I promised her that we'd go out to a nice restaurant for dinner that night and as we were getting ready, she's showering and slips in the tub. I hear her scream from the bathroom and rush in to see her sitting in the tub holding her leg. I asked if she was okay and she said she needed to go lay down lay down because of the pain. I helped her out of the tub and over to the bed. She sat on the bed and I sat next to her consoling her and rubbing her leg. She was really apologetic about ruining the evening, but I told her not to worry, we still had Saturday night if her leg felt better. I sat there thinking this was a bummer.

We turned the TV on ad watched some mindless shows for an hour while we waited for room service to deliver. We ate and I was starting to get horny again. I took her plate and started to rub her hurt leg carefully. She winced in pain. I started to move my hand up her leg to her thighs and then to her naked pussy under the sheets.

At first she pushed me away gently but firmly. "You must be really horny if you want to mess around with me in this condition," she said. I pulled the covers off me to show her my erection. I slipped my hand under her t-shirt trying to squeeze her nipple. "Baby, my leg hurts, I can't do this now!" she complained, grabbing my hand and pulling it from her breast and crotch. I whimpered that this was our first time away and reminded her of all the fun sex things we said we would do. She said we still would, right after her leg got better, but now she had to go to sleep.

So after that night she spent the next two days on the balcony looking and whining about the beach. Every time I tried to get close to her, she always complained about her leg and I went away frustrated. Finally I think I got to her because she agreed to a blow job that Sunday night. She gave me a quick bj and after a few slurps and licks I explode in her mouth because I was so was so pent up from no sex but a lot of expectations of it.

Now it's the fourth day of our vacation, only two days left, and I'm really desperate to fuck. Her leg was still sore so rather than mope, I ordered a nice bottle of wine and we sat on the balcony drinking it. After polishing it off, and a couple more we had ordered, she said her leg was feeling better and got up pulling me to the bedroom. She took off her clothes and got into bed. I had to go to the bathroom to relieve myself and when I came out she was sleeping – naked on the bed. I looked at her and realized I

Samantha: Yeah, kinda. I'm actually going to the opera with my cousin and her husband.

Samantha: Yeah, a couple times. The first time I fell asleep for most.

was still horny as hell. I know I couldn't just go to sleep. So what did I do? I took some lotion from her cosmetic bag and spread some on her ass crack working it between her cheeks and slipped a finger inside her anus. After a moment I felt her open her legs a little, all the while gently snoring in her sleep. We had never had anal sex but she said she had tried it before with one of her previous boyfriends. As my finger slid in and out, her hips moved encouraging me to go deeper. I climbed over her on the bed, put some more lotion on my hard cock and gently slid it into her butt. I started slowly as not to wake her but it was hard to control myself.

After one especially deep thrust, she awakened, looked back at me and gave me a sleepy smile. "Baby, don't stop!" she said. She got up on all fours and I worked it some more as she reached between her legs and rubbed her clit into a screaming orgasm. Well as for me, I exploded my frustration deep in her butthole and collapsed on top of her and quickly fell asleep. For the remaining days we fucked and sucked every free minute. She said her leg was completely fine. I said that all's well that ends well. Well inside her ass, that is!

– Daniel, Glendale

Dear Editors,

I'm writing to your magazine because I have to find out more about the cover lady on your issue 40+ #01, Samantha. Is she a full time adult actress? Do you know if she's ever lived in the Philadelphia area? I was walking by a newsstand in my college shopping area and saw it. I did a double take and went back to buy it. FYI: I was pleasantly surprised at how nice the ladies were and how great the issue looked. I especially like a lot of the anal sex, something I'm dying to try on my girlfriend this year.

I'm asking because I grew up in King of Prussia, a richy suburb of Philly. All my mom's friends were hot (my mom was, too) and Samantha looks just like Miranda who lived a couple houses down from us. Her hair was not quite as blonde and her boobs were not quite as big but other than a little makeup, she could be a dead ringer for Miranda. Now I don't expect you to

tell me her real name or personal history, but is there any way to find out if she's from here?

When I was in high school, I had crushes on most of them, Miranda included. They would all come over and sit around the kitchen or out by the pool at our house swapping stories about their husbands and boyfriends. If I remember correctly, Miranda was married but going through a rocky divorce with her old man. This was about six years ago.

I remember one time. Miranda and Alyse, our across-the-street neighbor, were sunbathing topless at the pool. I was there too, lounging around, kinda like Dustin Hoffman in *The Graduate*. When my mom left to go to the kitchen to refresh their drinks, they called me over to rub some suntan oil on their backs. As a high school freshman, I couldn't be more obliging. I started with Miranda and then Jesi. As I finished Alyse, Miranda rolled over on her back and asked me to put some on her chest. The two ladies giggled. I said I shouldn't, but she said it was okay. So I did, splashing some in my hands and starting at her belly and then shoulders. Well, this wasn't good enough and she grabbed my wrists and moved my hands over her boobs. I looked away but I felt her nipples get harder as I massaged oil on them. Just then, my mom came back and asked what was going on. That was a major buzz kill.

Please let me know, okay?

– Steven, Philly

40+: Well, enjoy.

Samantha:

Thanks, I shall.

40+: As you know we ran a pictorial with you and three guys. That was pretty hot. Can you tell me how that happened?

Samantha: Sure, it was quite fun. I have done group scenes before so I knew I could handle it. What I couldn't handle was Danny's cock.

40+: But you did.

Samantha: I had to; for the good of the scene.

40+: And what a scene it was. I must have watched it twen...

Samantha:

Twenty times? Is

To the Editor,

It had been a long day. I sat on the bed reading the newspaper for about two hours today while you were at work. Not paying attention to the time, I came in and hopped into the shower. I didn't have time to get fully dressed and make dinner. You walk into the kitchen to find me wearing only a t-shirt with cotton panties; dinner is the last thing on your mind. I don't hear you walk in. I'm facing the stove, turning knobson and off, putting lids on pans when I feel you standing behind me. I start to turn around and you whisper in my ear to stay put, as I feel your hands come up under my shirt and slowly run up my back, around my sides where you grab my breasts. I could feel your warm hands on my skin, I could feel your fingers twirling around my nipples, and I could feel the wetness in my pussy.

I relax into your arms and let my head fall back into your chest. One of your hands slide up my neck over my chin, bringing your fingers close to my mouth. I kiss each one and slowly start licking them. You turn me around and start placing soft kisses on my face until your lips meet mine and we locked in a slow passionate kiss. Your arms slide down my back, under my shirt where instead of running your hands back up the inside, you bring my shirt up and over my head, removing my arms as you continue to kiss me. I reach down and slowly unsnap and unzipped your pants and let them just fall off. I say, "Do you want to play with me?" I slowly walk away from you towards the kitchen table when you walk up behind me and slowly lean me over the table and trail your fingers down my back, down the crack of my ass, and hesitate just briefly before going further into the wetness you are sure is there.

Your fingers twist around in the wetness of my pussy and move up to my clit. You get me right to the point of ecstasy and pull your hand back the way you came. You slip your hard cock into my wet pussy just long enough to almost send me over the brink and pull out. Still standing up and bent over the kitchen table, I feel you slip your cock into my open ass. It feels so good: within only a few minutes of fucking my ass we both can't resist the delight and the unexpected situation that we both begin to cum.

Still lost in the wave of passion, you slowly pull me up and away from the table. I turn around and just stare into your beautiful eyes as you kiss me more deeply than ever before, slightly pushing me back onto the table. You pull my body towards you with my legs so my ass is just sitting on the very edge of the table: the perfect height for fucking. Standing up, you slide your once again hard cock into my wet pussy that is throbbing so badly for more attention. I put my ankles over your shoulders, and you hold onto my legs for leverage so you can fuck me. I couldn't believe it: I am finally getting fucked on the kitchen table. I have fantasized about this moment so many times and it's really happening. We both cum a second time.

I'm still trying to recuperate from my explicit waves of passion, the next thing I know you are all over my ass again: this time with your tongue. It was fucking amazing. Still lying on my back, you walk around and stick your hard cock into my mouth. You tell me you can see your cock in my throat. I reach up with my hand and bring your hand to my tits and tease you into playing with the nipple as I continue to suck. With my hand now free, I reach down and start rubbing my clit vigorously.

I continue to suck on your cock feeling it getting harder and harder, and the next thing I knew, I felt your hot cum squirting into the back of my throat. The taste of your cum triggered my own orgasm and I start to cum for a third time. One more time, we slowly recuperate and retreat to the bedroom for some well needed rest. Home cooking is so under rated.

that all? I have a girlfriend who has watched it close to fifty. And it's not me she was watching (giggles).

40+: Did you like watching it?.

Samantha: Of course. I lived it. But I'll admit that when I first watched it, I didn't realize how big Danny's cock was. I know they used a wide angle lens here and there and that accentuated it. But damn! It was huge! Afterwards, I just kept staring at it!

Why did you decide to sign a girl-girl contract with Sweetheart Video?

I'm in this phase of my career where I'm getting to explore my personal "Bucket List" in terms of scenes. I knew I wanted to be involved in a high quality, female-centric project that was authentic. I wanted to be involved in something that had a very strong female fan base and that narrows down the opportunities. When I was approached by Sweetheart Video, it floored me. It was the right project, with the right company, at the right time. I cannot begin to tell you how professional Sweetheart Video & Mile High have been. From the girls to the executives, everything has been fun AND professional.

Would you say your best scenes are with women?

I don't think it's any secret that I love men! That said, it's also no secret that I also love variety! [Laughs] A great scene (for me) is about chemistry, passion, and direction rather than the gender of my partner. I have had some very memorable scenes with Sweetheart Video ... whether they are "my best" is really for the viewers to decide! My goal is to ensure that every scene I'm in is hot!

Dana Vespoli usually helms most of the Sweetheart lines. What's it like working with her and do you ever bounce story and character ideas with each other?

Over this past year I have come to genuinely respect & enjoy working with Dana Vespoli. Professionally, she is organized, creative, and passionate about Sweetheart's productions. There are traits and skill sets that are important in good leaders.... they inspire people like me who draw energy from that passion. Personally, I adore her. If we are honest, everyone knows it's challenging to develop meaningful relationships in

this industry. I genuinely enjoy Dana's company and that admiration pushes me to give every scene my all.

Are you bisexual in your personal life?

Sometimes labels too narrowly define a person... such would be the case here! My husband and I are more ... lets call it... opportunistic hedonists! [Laughs] While he is straight, I am attracted sexually to both men and women. What I don't do, however, is "play" alone! In my personal life... you're getting us both!

Did you select the girls you get to work with?

For the most part, yes. I don't have a "yes list", but I do have a "no list". Often, you will see me paired with someone who I may not have specifically chosen, but because they were not on my "no list" they were cast. With Brandi Loves Girls we let the fans decide. For the most part, my co-stars have been sensual, fun, and, most importantly, the chemistry on set has led to some fantastic scenes.

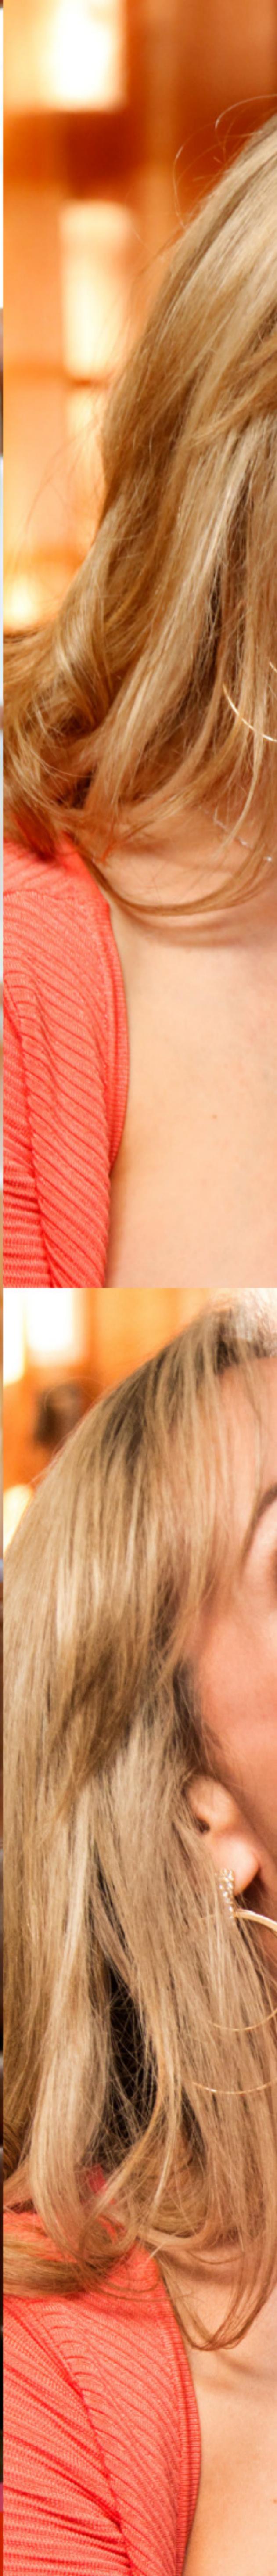

What's a fantasy lesbian scenario you hope to film one day?

I would love to do a feature with Sweetheart Video where I am able to submit the scenarios. A Brandi's Fantasies, so to speak. I don't want to reveal too much, but I suspect they would be wilder than anything I've shot thus far!

Do you think another lesbian showcase, or just a general showcase, is in the cards for you soon?

I hope so! As I stated, I would love to do a feature with Sweetheart Video where I am able to submit the scenarios.

You've done it all in your career, including hardcore boy-girl scenes. Do you feel your male fans want to see you doing girl-girl and have they responded well to your girl-girl scenes?

Girl-girl erotica is tricky! Those who have been successful at it know that there is a dramatic difference between what females look for in girl-girl scenes versus what men look for. I know for a fact that my fan base in the girl-girl arena right now is largely female. I believe there is opportunity and room for growth within the genre for me with respect to my male fan base.

Most male fans aren't big fans of lesbian porn. Why do you feel that is?

Sometimes answering questions like this puts me in political crosshairs! [Laughs] I however, have always told it like I see it. Men and women typically want different things in terms of adult entertainment and in real life from women. My male fan base, and I would contend that most men, want a woman who is smart, sophisticated, and a complete, unbridled, uninhibited, wanton slut in the bedroom. Men want women to want men (them), not another woman. Can't blame them for that! To appeal to a larger male fan base, certainly my male fan base, the girl-girl scenes need to be naughtier! Less plot, less seduction. It can still be stylistic and classy but it must be naughtier. You want the men to watch and say "Holy fuck! That woman is a slut! She's as kinky as I want to be! Yes!" You don't want them saying, "Hmm... well that was a beautiful, tender moment between two women."

Porn has changed a lot since you entered the business. Is today's porn environment a good time for performers to get into it?

The entertainment industry in all its forms has changed. Music, mainstream films, even sports have all changed radically. Adult Entertainment is no different although, in my humble opinion, we have suffered more. You either adapt or disappear.

Knowing what you know today, what would you have done differently if you were entering the industry in today's porn environment?

I've mentioned this in other interviews so it may be redundant... but it's important. Embrace delayed gratification! I truly love what I do. I'm not ashamed, I don't have regrets and I treat this as a career. I get paid to explore the world's most pleasurable activity. It's amazing really. When I first started, the money was insane, it was new to me and I spent like a rockstar. I paid the price for that foolishness. I did not embrace delayed gratification. Now I save and invest every penny. I will still be able to retire from this industry and secure my future but it's impossible to regain the benefit of compound interest over those early years. Or to be perfectly blunt... I gave up about 1.4 million for cars, handbags, and ego. I'll never make that mistake again.

Are there any misconceptions about lesbian porn that fans should be aware of?

You know... I haven't come across any misconceptions specifically related to lesbian porn.

Anything you'd like to say in closing to our readers?

Other than sincere and heartfelt thanks for their support and inspiration, I'd like to encourage them to Dare to be Deviant!

me so horny they so horny, too

“I feel so horny all the time. Does that make me a nymphomaniac?” Yvonne asks. “Not really.” counters her drinking buddy, Carole. “Because I feel that way all the time, too.” she adds. “Fortunately for me, I’ve got Trevor for my booty calls day or night. He’s very adventurous and accommodating with me. I love to experiment and he goes right along,” Carole says, as she sips her mocha latte. Carole has an arrangement with this lover which allows her fantasies to be explored and enacted, some of her most extreme desires to be expressed and satisfied. So she tells Yvonne how the two of them enjoyed their lustful liaisons, those liaisons sometimes include others. This certainly piqued Yvonne’s interest.

“I have this thing for pretty cocks. They have to be straight and long. And they have to stay hard for a long, long time.” Yvonne says. “What’s Trevor’s like?”

Carole pulls out her iPhone and scrolls through the pictures stopping at the full torso shot of a guy with a long hard dick in profile. “That’s Trevor’s,” Carole boasts. She flicks the screen and more shots of his cock appear. One has a woman’s hand around it. “That’s my hand around it, just to show you how long it is.” Carole says. One more flick and a shot of Carole’s mouth around the cock head appears and she explains how many shots she had to take with the iPhone camera to get that one just right. Carole laughs out loud and winks at Yvonne whose eyes are wide open and her jaw dropped as she gazed at the pics.

“It’s one absolutely delicious cock.” Carole says, and with a sly smile adds, “but it’s even tastier when it’s deep inside my pussy.” Carole thinks for a minute and adds “No it’s better when it’s in my ass!” she says.

“In your ass?” Yvonne asks. “That’s delicious, lady, I so dig that too, There’s just something about that stick of man-meat inside my butt that makes me melt.” Yvonne says looking up from the photos. Putting both hands around her drink, Yvonne looks directly into Carole’s eyes and says “Another thing I love is pussy!”

“Oh, you’re bad, and a mind reader. I do too. Men are nice and they have their place, but a nice, soft wet pussy is something I can get lost in for hours, baby.” Carole says. Realizing that a rare moment has happened, they stare at each other and then both break out into an easiness that they were able to discuss these secret thoughts. Lunch time was over and they headed back to the office. “I’ll call you later.” they said at the same time.

That night the two talked setting the wheels in motion to exploit their plaything. Details were discussed and plans were made. The most difficult decision was to tell Trevor or not. They decided, not! A few nights later Yvonne’s at Carole’s house. Carole had Yvonne arrive first so they could share a glass of wine or two before he came.

There’s a knock at the door. Both ladies go to answer it. Standing there is Trevor. Immedi-

off his body. Trevor enters the house. He is taller than his picture seems to show, and much better built. His face is handsome, but not a pretty-boy. His hands and feet are large, something not lost on Yvonne.

Carole invites everyone to the kitchen for drinks. Leaning on the counter, Carole says that she showed Yvonne his photos on her iPhone. Trevor blushes and is a little taken aback by Carole's comment. She goes over to him and rubs his arm, saying 'that's alright.' He looks at her and smiles. She backs off a little and reaches for his drawstring looking at Yvonne saying, "Want to see it live?" She rubs the front of his shorts, squeezing his cock so that when she slips a hand under the elastic of his shorts, she finds it large and hard.

Fondling him in his shorts, she pulls them down with her other hand and pulls his cock out as Yvonne watches. She looks at Yvonne, teasing her with her eyes while stroking Trevor's cock. Yvonne takes in the sight with eyes focused on every detail of his cock. Then Carole bends down and takes his cock into her mouth. As she sucked and stroked the shaft in her hand, Carole motions to Trevor to take his shirt off. He obliges by pulling the top over his head, exposing just the right amount of hair and well-formed pecs. Carole steps back and pulls down his shorts exposing his cock completely to Yvonne. Now standing stark naked in front of Yvonne, he grabs his cock and gives a few deft strokes while looking Yvonne right in her eyes.

ately his eyes meet Yvonne's and she smiles back extending her hand, "Hi. I'm Yvonne." she says. "Pleasure to meet you. I've heard a lot about you." he said. Trevor and Yvonne seemed quite pleased to finally lay eyes on one another. Trevor was wearing board shorts and a white tank top. Not really a surfer kind of guy, he still likes to wear clothes to show

Carole strips herself naked closely watching Yvonne's and Trevor's interplay. Carole was going to help Yvonne undress but, before she did, she couldn't help doing something, something she always craved. So she dropped to her knees behind Trevor, took hold of his trim, firm buttocks, spread them wide open and pressed her face between them, lapping hungrily at his asshole. Yvonne comes over to Trevor and takes his cock in her hands. She looks at him directly and strokes his cock, licking her lips as if to tell him what's going to cum later. Carole stands up and pushes Trevor as Yvonne pulls him by the cock into the living room.

Yvonne sits on the couch, putting her face right at Trevor cock height. She replaces her hands with her mouth and slowly begins to caress his cock with her lips. Now Carole sat on the couch next to Yvonne, the two women gazing at each other as Yvonne kept up the blow job, and Carole began to unbutton her blouse. Carole brings her face close as Yvonne, reading the signal, releases Trevor's cock from her lips and lets Carole have herself a nibble. But Carole had other things in mind as she now urges Yvonne to resume sucking, systematically disrobing Yvonne as she continued fellating Trevor. Off came the blouse, the skirt, and the rest leaving the three of them utterly and totally naked.

Now Carole wanted to have she and Trevor perform for Yvonne's viewing pleasure. When they lunched, Yvonne had been deeply intrigued to hear how much Carole enjoyed taking it up the ass, and when Carole had mentioned to her that perhaps she'd like to come by sometime and watch she and Trevor do the dirty, Yvonne, with a glint in her eye, said teasingly that she'd love that, especially if Yvonne could watch the anal antics. Carole got up on the couch on her knees and stuck out her ass provocatively, stuck out it out nice and high knowing that would separate her cheeks enough to make her asshole visible to the two. She knew how desperately Trevor lusted for that puckered little hole every time he laid his eyes on it. Carole brought her two hands back to hold her buttocks wide open. Looking over her shoulder, Carole could see Trevor pushing gently on the back of Yvonne's head towards Carole's totally exposed bottom.

Yvonne complied, grabbing Carole's ass cheeks, caressing and then massaging them as she teased the other woman, playfully blowing air right on her vividly exposed asshole, the effect on Carole to make her long desperately for

the feel of Yvonne's tongue, anyone's tongue! Then she felt that tongue and, as always, the sensation was sublime. For some women their assholes were tempting but forbidden entryways to be denied their men, or were offered up, often reluctantly, as a special treat to please them. But for Carole her asshole was like another pussy, it was one the major destinations of her erotic topography. She knew she had the potential for enjoying sensual pleasure down there. But it was Trevor who really opened her up to the thrills and the joys of anal sex.

Trevor watched Yvonne tongue Carole's bottom, her eyes sparkling with lust as she glanced over at Trevor, lewdly flickering the tip of her tongue over Carole's asshole. Carole groaned as she felt the two tongues work away at her, Yvonne's making it down to her clit, teasing her with a few quick flicks of the tip of her tongue over that hard little nub. But Yvonne knew there would be plenty of time to attend to that little pearl of Carole's. This was just a quick tease. And so now she dragged her tongue upwards again as Trevor pulled away and Yvonne resumed licking Carole's asshole. They took turns now, Trevor and Yvonne, lapping away at Carole's ass like two famished gluttons, first just licking, then, Yvonne following Trevor's lead, forcing their tongues up into her anal passage.

Trevor told Yvonne to stick a finger inside her butt hole, pulling back his tongue and replacing it with a finger, which she slowly dug into Carole's anus, Carole moaning as she felt the stiff digit slide into her bottom. Carole craved the finger probing her bottom, digging in deep, and loved hearing Yvonne being so expressive. Now Trevor slid in a finger of his own, alongside Yvonne's, Carole's asshole well prepped for such probing after all the lavish licking. Carole often had two or more fingers wedged up her ass hole, but they usually belonged to one hand, Trevor's.

Trevor reached over to the side table and grabbed a jar, unscrewed the top. He told Yvonne to dip a finger or two and 'to grease her up.' That sent a chill through Carole whenever she heard Trevor use the word 'grease.' Somehow it sounded especially obscene, knowing that the greasing he referred to was of her ass, and that it was to be done for a purpose, for the fucking of that ass.

Yvonne, smiling a little wickedly, pulled her finger out of Carole and reached to scoop up a big dab of the grease, slapping it between Carole's cheeks. She slowly and teasingly spread the slick lube all over Carole's anus, then working plenty more in with a couple of stiff fingers. She turns to Trevor and spreads more on his readily stiff cock, prepping them both.

Trevor positions himself behind Carole and pushes his cock into her ass with Yvonne guiding it to the spot. He forces an inch or two at the start and then goes deeper and deeper. Yvonne realizes her fingers are well greased and surprisingly sticks one into Trevor's butt. He lurches forward thrusting his long hard cock deeper into Carole's ass, then pushes back out so her finger can go in even deeper.

Trevor motions Yvonne from behind him and tells her to kneel on the sofa beside Carole which she does, releasing her finger from his ass. With his cock still deep in Carole's ass, he returns the anal finger-fuck sticking a well-lubed finger into Yvonne's ass. After several more thrusts he pulls Yvonne's hips next to Carole's and replaces his finger with his cock. Now Yvonne can enjoy what she has fantasized about a long hard cock deep inside her ass. Never realizing how good it felt, she takes over the fucking by moving back and forth on his rocket. Carole turns over to lay under Yvonne and begins to lick her pussy holding her ass cheeks apart for Trevor's thrusts.

All of a sudden there are police sirens coming down the street and I have to quickly get away from the window because I don't want to get caught. I'll try to come back later to tell you how it ends.

Now Yvonne can enjoy what she has fantasized about a long hard cock deep inside her ass. Never realizing how good it felt, she takes over the fucking by moving back and forth on his rocket.

**India
& Lex**

India is, and always has been, one of our favorites. Always with a smile on her face and willing to do almost anything. She's a great partner who knows her way around a pussy or a cock. She's always ready for the money shot and everyone we know likes giving it to her.
